

Opportunity Title: Public Health: Readiness and Resiliency (R2) Research - US Army-Italy

Opportunity Reference Code: USAG-Italy-2021-0002

Organization U.S. Department of Defense (DOD)

Reference Code USAG-Italy-2021-0002

How to Apply Click on *Apply* at the bottom of the opportunity to start your application.

Description The U.S. Army Garrison-Italy is offering post-Bachelor's level internships at **Camp Darby, Italy.**

What will I be doing?

As an ORISE participant, you will join a community of scientists and researchers in an effort to facilitate discussions among key individuals concerning the overall health of USAG Italy (physical, psychological, spiritual, family, and social), to include Darby and Vicenza Military Communities. You will contribute to monthly working groups and the CR2C and provide quarterly updates and visibility presentation to senior leaders.

There will be three key project objectives during the course of this research project:

- 1) Distribution and analysis of a survey to determine quality of life and overall health quality in the community with maximum participation.
- 2) Research and development of a PCS Resource Guide to be hard copied and published online.
- 3) Collaboration with key stakeholders to contribute to the overall USAG Italy R2 Strategic Plan.

Why should I apply?

Under the guidance of a mentor, you will gain hands-on experience to complement your education and support your academic and professional goals. Along the way, you will engage in activities and research in several areas. These include, but are not limited to:

- project management
- data analysis
- marketing/promotion of various initiatives to internal and external audiences

Where will I be located? Camp Darby, Italy

What is the anticipated start date?

Exact start dates will be determined at the time of selection and in coordination with the selected candidate. Applications are reviewed on an ongoing basis and internships or fellowships will be filled as qualified candidates are identified by USAG-Italy staff.

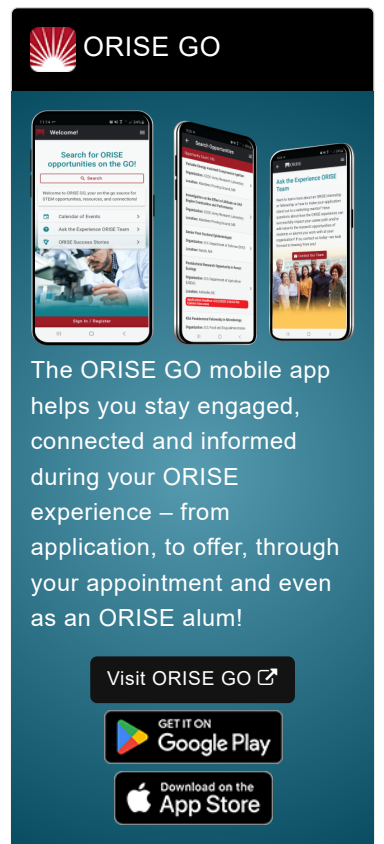

What is the appointment length?

This appointment is a twelve month research appointment, with the possibility to be renewed for additional research periods. Appointments may be extended depending on funding availability, project assignment, program rules, and availability of the participant.

What are the benefits?

You will receive a stipend to be determined by USAG-Italy. Stipends are typically based on a participant's academic standing, discipline, experience, and research facility location. Other benefits may include the following:

- Participants are eligible to purchase health insurance through ORISE
- Relocation Allowance

About USAG-Italy

Directorate of Public Works (DPW) is responsible for design, constructions, maintenance and repair of all facilities, operation of utility systems, management of all environmental and disposal waste, natural and cultural resource programs as well as providing centralized management for Army Family Housing. The U.S. Army Garrison, Italy facilitates the integration of the Readiness and Resiliency (R2) capabilities into the Commander's R2 Council (CR2C) process.

About ORISE

This program, administered by Oak Ridge Associated Universities (ORAU) through its contract with the U.S. Department of Energy (DOE) to manage the Oak Ridge Institute for Science and Education (ORISE), was established through an interagency agreement between DOE and DoD. Participants do not enter into an employee/employer relationship with ORISE, ORAU, DoD or any other office or agency. Instead, you will be affiliated with ORISE for the administration of the appointment through the ORISE appointment letter and Terms of Appointment. Proof of health insurance is required for participation in this program. Health insurance can be obtained through ORISE. For more information, visit the [ORISE Research Participation Program at the U.S. Department of Defense](#).

Qualifications The qualified candidate will have a Bachelor's degree or be currently pursuing a Bachelor's degree.

Highly competitive applicants will have education and/or experience in one or more of the following:

- Experience in planning and developing methods to monitor goals and objectives
- Experience in developing plans for evaluation and research
- Experience in applying a variety of communication methods and techniques to market and promote activities
- Ability to identify components of evidence-based health promotion programs based on behavioral change theories
- Experience in public speaking
- Ability to collaborate effectively with higher headquarters and other agencies in the community

Application Requirements

A complete application consists of:

- Zintellect Profile
- Educational and Employment History
- Essay Questions (goals, experiences, and skills relevant to the opportunity)
- Resume (PDF)
- Transcripts/Academic Records - For this opportunity, an unofficial transcript or copy of the student academic records printed by the applicant or by academic advisors from internal institution systems may be submitted. [Click here for detailed information about acceptable transcripts](#).
- 1 Recommendation
