

Opportunity Title: FDA Molecular Biology Internship

Opportunity Reference Code: FDA-CBER-2022-20

Organization U.S. Food and Drug Administration (FDA)

Reference Code FDA-CBER-2022-20

How to Apply *Connect with ORISE...on the GO!* Download the new ORISE GO mobile app in the [Apple App Store](#) or [Google Play Store](#) to help you stay engaged, connected, and informed during your ORISE experience and beyond!

A complete application consists of:

- An application
- Transcripts – [Click here for detailed information about acceptable transcripts](#)
- A current resume/CV, including academic history, employment history, relevant experiences, and publication list
- One educational or professional recommendation

All documents must be in English or include an official English translation.

If you have questions, send an email to ORISE.FDA.CBER@orauf.org. Please include the reference code for this opportunity in your email.

Description **Applications will be reviewed on a rolling-basis, and this posting will remain open until filled.*

A research opportunity is currently available in the Office of Vaccines Research and Review (OVRR) at the Center for Biologics Evaluation and Research (CBER), Food and Drug Administration (FDA) in Silver Spring, Maryland.

Under the guidance of a mentor, the selected participant will be involved in the development of quantitative RT-PCR for evaluation of Novel Oral Poliovirus Vaccine (nOPV). The research will include quantitative RT-PCR method, and data analysis. The participant will learn the following Lab skills:

- Molecular biology
- PCR
- Gel electrophoresis
- DNA/RNA extraction
- DNA sequencing and data analysis

Anticipated Appointment Start Date: April 2022; start date is flexible

This program, administered by ORAU through its contract with the U.S. Department of Energy to manage the Oak Ridge Institute for Science and Education, was established through an interagency agreement between DOE and FDA. The initial appointment is for three months, but may be renewed upon recommendation of FDA contingent on the availability of funds. The participant will receive a monthly stipend commensurate with educational level and experience. Proof of health insurance is required for participation in this program. The appointment is full-time at FDA in the Silver Spring, Maryland, area. Participants do not become employees of FDA, DOE or the program administrator, and there are no employment-related benefits.

Completion of a successful background investigation by the Office of Personnel Management is required for an applicant to be on-boarded at FDA. OPM can complete a background investigation only for individuals, including non-US Citizens, who have resided in the US for a total of three of the past five years.

FDA requires ORISE participants to read and sign their FDA Education and Training Agreement within 30 days of his/her start date, setting forth the conditions and expectations for his/her educational appointment at the agency. This agreement covers such topics as the following:

- Non-employee nature of the ORISE appointment;
- Prohibition on ORISE Fellows performing inherently governmental functions;
- Obligation of ORISE Fellows to convey all necessary rights to the FDA regarding intellectual property conceived or first reduced to practice during their fellowship;
- The fact that research materials and laboratory notebooks are the property of the FDA;
- ORISE fellow's obligation to protect and not to further disclose or use non-public information.

Opportunity Title: FDA Molecular Biology Internship

Opportunity Reference Code: FDA-CBER-2022-20

Qualifications The qualified candidate should be currently pursuing a bachelor's degree in one of the relevant fields.

Candidates with basic experience with molecular biology, PCR, Gel electrophoresis, DNA/RNA extraction are encouraged to apply.

Eligibility Requirements

- **Degree:** Currently pursuing a Bachelor's Degree.
- **Discipline(s):**
 - **Chemistry and Materials Sciences** (12 👁)
 - **Life Health and Medical Sciences** (48 👁)

Affirmation Have you lived in the United States for at least 36 out of the past 60 months? (36 months do not have to be consecutive.)
