**Description** The Department of Defense (DOD) Office of the Under Secretary for Research & Engineering (URSE) is now accepting applications for their HBCU-MI Summer Faculty Research Fellowship. This program aims to strengthen the collaboration between the U.S. Department of Defense and STEM faculty through a 10-week paid summer research fellowship at the DEVCOM Army Research Laboratory.

Selected Summer Faculty Research Fellows will be paid a \$24,000 stipend to participate in 10-weeks of research over Summer 2022.

To be eligible for this opportunity applicants must:

- Be a citizen of the United States; dual citizens and foreign nationals are not eligible.
- Be a current HBCU/MI STEM Faculty member.
- Not have collaborated with a DoD Lab within the past five years.

**Deadline:** Tuesday, March 31, 2022

A complete application includes:

- Current Curriculum Vitae (include list of any papers, presentations, or publications)
- Two References submitted through Zintellect
- Research Info Paper

The Research Info Paper is a 2-4 page document describing your research capabilities and how those capabilities and your research interest can impact the DOD research mission. Please follow the template below for format and required content of the info paper.
