Description The EPA National Student Services Contract has an immediate opening for a full time Federal Financial Administrative Support position with the Office of Research and Development at the EPA facility in Washington, DC.

The Office of Research and Development at the EPA supports high-quality research to improve the scientific basis for decisions on national environmental issues and help EPA achieve its environmental goals. Research is conducted in a broad range of environmental areas by scientists in EPA laboratories and at universities across the country.

What the EPA project is about

The Office of Resource Management (ORM) provides administrative and support services for all employees of EPA's Office of Research and Development (ORD). The Planning and Budget Division (PBD), one of several divisions within ORM, is tasked with providing budget planning and execution services and support to ORD.

What experience and skills will you gain?

As a team member, you will assist the Planning and Budget Division staff in executing their duties by providing both administrative and technical support for the full budget execution cycle. Specific duties will include:

- Assisting in developing, validating and editing financial reports, summarizing budget targets, expenditures, labor costs, travel expenses, commitments & obligations, and year-end analysis.
- Performing data entry in various ORD and Agency financial systems.
- Reconciling financial systems and making corrections when approved.
- Participating in Agency meetings related to financial management.
- Assisting the staff in coordinating and managing meetings.
- Performing regulation searches.
- Assisting in responding to information requests.
- Maintaining records in accordance with Federal regulations.
- Providing general administrative support (word processing, faxing, copying, mailing, scheduling).

Required Knowledge, Skills, Work Experience, and Education

- Strong mathematical, analytical and computer skills.
- A commanding knowledge of Microsoft Excel, PowerPoint and Word.
- A willingness to learn federal financial practices to include, but not limited to, accounting, mathematics and fiscal costing.

Location: This job will be located EPA's facility in Washington, D.C.
