Description The **Joint Science and Technology Institute (JSTI) is inviting former participants to apply to attend the 2023 JSTI - High School Institute as an Alumnus.** This two-week Institute is a fully-funded, residential science, technology, engineering and math (STEM) research Institute. Alumni will assist in research projects mentored by Department of Defense (DoD) research scientists and other subject matter experts and assist with other Institute activities, as assigned. Alumni are to inspire and encourage program participants to learn new skills, conduct STEM research, and to learn about current and emerging careers in STEM. Alumni will further promote and cultivate meaningful and appropriate relationships with JSTI students, staff, and researchers.

Selected Alumni will receive a \$1,000 stipend for full-time participation.

Please note that JSTI is a non-smoking, non-vaping, and non-alcohol/illegal drug Institute. JSTI Alumni must agree to abstain from smoking, vaping, and alcohol/illegal drug use for the entire duration of the Institute and during any on-site residence, including off-hours.

The successful applicant(s) will be required to comply with Environmental, Safety, and Health (ES&H) requirements of the hosting facility, including but not limited to, COVID-19 requirements (e.g. facial covering, physical distancing, testing, vaccination).

JSTI East will be held at Towson University in Towson, MD from July 15-28, 2023.
