Description The U.S. Army Garrison-Italy is offering undergraduate level internships at Vicenza, Italy.

What will I be doing?

As an ORISE participant, you will join a community of scientists and researchers in an effort to facilitate discussions among key individuals concerning the overall health of USAG Italy (physical, psychological, spiritual, family, and social), to include Darby and Vicenza Military Communities. You will facilitate this process through the CR2C working groups and ensure all areas of health are covered. You will contribute to monthly working groups and the CR2C and provide quarterly updates and visibility presentation to senior leaders.

There will be three key project objectives during the course of this research project:

- Identify population needs through surveys, focus groups, or data analysis
- Community outreach to inform and increase awareness of services, resources, and events
- Collaboration with key stakeholders to contribute to the overall USAG Italy R2 Strategic Plan.

Why should I apply?

Under the guidance of a mentor, you will engage in a variety of research activities, including::

- facilitation of working groups, program management and strategic planning
- Navigation of Department of Army Strategic Management System
- Outreach to community of various initiatives, opportunities to brief senior military leaders

Where will I be located? Vicenza, Italy

What is the anticipated start date?

Exact start dates will be determined at the time of selection and in coordination with the selected candidate. Applications are reviewed on an ongoing basis and internships or fellowships will be filled as qualified candidates are identified by USAG-Italy staff.

What is the appointment length?

This appointment is a twelve-month research appointment, with the possibility to be renewed for additional research periods. Appointments may be extended depending on funding availability, project assignment, program rules, and availability of the participant.

What are the benefits?

You will receive a stipend to be determined by USAG-Italy. Stipends are typically based on a participant's academic standing, discipline, experience, and research facility location. Other benefits may include the following:

- Participants are eligible to purchase health insurance through ORISE
- Training and Travel Allowance
