Description	The U.S. Army Garrison-Italy is offering a student/postgraduate fellowship in Vicenza, Italy.

What will I be doing?

As an Oak Ridge Institute for Science and Education (ORISE) participant, you will join a community of scientists and researchers in an effort to earn and develop skills associated with data science and process improvement analysis. This opportunity combines principles and practices from the fields of mathematics, statistics, artificial intelligence, and computer engineering to analyze large amounts of data.

Why should I apply?

Under the guidance of a mentor, you will gain hands-on experience to complement your education and support your academic and professional goals. Along the way, you will engage in activities and research in several areas. These include, but are not limited to:

- data collection and storage
- Data preparation
- Statistical analysis and data visualization
- Data storytelling and communication to stakeholders
- Collaboration with data owners from the various Garrison directorates and service provider partners
- Creation of visual aids which may include but not limited to items like Power Point presentations, executive level Information Papers, and SharePoint/ PowerBI dashboards

Where will I be located? Vicenza, Italy

What is the anticipated start date?

Exact start dates will be determined at the time of selection and in coordination with the selected candidate. Applications are reviewed on an ongoing basis and internships or fellowships will be filled as qualified candidates are identified

**What is the appointment length?**

This appointment is a twelve-month research appointment, with the possibility to be renewed for additional research periods. Appointments may be extended depending on funding availability, project assignment, program rules, and availability of the participant.

What are the appointment provisions?

You will receive a stipend to be determined by USAG-Italy. Stipends are typically based on a participant's academic standing, discipline, experience, and research facility location. Other benefits may include the following:

- Training and Travel Allowance
