

Opportunity Title: USDA-ARS Student Internships in Aquaculture Research

Opportunity Reference Code: USDA-ARS-NEA-2026-0065

Organization U.S. Department of Agriculture (USDA)

Reference Code USDA-ARS-NEA-2026-0065

How to Apply *To submit your application, scroll to the bottom of this opportunity and click APPLY.*

A complete application consists of:

- An application
- Transcript(s) – For this opportunity, an unofficial transcript or copy of the student academic records printed by the applicant or by academic advisors from internal institution systems may be submitted. Click [here](#) for detailed information about acceptable transcripts.
- A current resume/CV, including academic history, employment history, relevant experiences, and publication list
- Two educational or professional recommendations

All documents must be in English or include an official English translation.

Application Deadline 4/10/2026 3:00:00 PM Eastern Time Zone

Description *Applications are reviewed on a rolling-basis.

ARS Office/Lab and Location: Four student research internship opportunities are currently available with the U.S. Department of Agriculture (USDA), Agricultural Research Service (ARS), National Center for Cool and Cold Water Aquaculture (NCCCWA), located in Leetown, West Virginia.

The Agricultural Research Service (ARS) is the U.S. Department of Agriculture's chief scientific in-house research agency with a mission to find solutions to agricultural problems that affect Americans every day from field to table. ARS will deliver cutting-edge, scientific tools and innovative solutions for American farmers, producers, industry, and communities to support the nourishment and well-being of all people; sustain our nation's agroecosystems and natural resources; and ensure the economic competitiveness and excellence of our agriculture. The vision of the agency is to provide global leadership in agricultural discoveries through scientific excellence.

The National Center for Cool and Cold Water Aquaculture (NCCCWA) is located in Leetown, West Virginia. The mission of the NCCCWA is to enhance the nation's aquaculture production of cool and cold-water fish species by developing improved germplasm and technologies that increase farm efficiency, product quality, and environmental sustainability. Research encompasses genetics, genomics, physiology, aquatic animal health, microbiology, and aquaculture engineering.

Opportunity Title: USDA-ARS Student Internships in Aquaculture Research

Opportunity Reference Code: USDA-ARS-NEA-2026-0065

Research Project: The participant will be involved in processes to improve fish health and the efficiency of aquaculture production.

Learning Objectives: The selected participants will receive training and participate in hands-on research activities at the ARS NCCCWA including fish health, microbiology, animal husbandry and welfare, fish hatchery rearing protocols, fish physiology, molecular biology, genetics and genomics.

Mentor(s): The mentors for this opportunity are Yniv Palti (yniv.palti@ars.usda.gov), Tim Welch (tim.welch@usda.gov), Beth Cleveland (beth.cleveland@usda.gov) and Mark Hostuttler (mark.hostuttler@usda.gov). If you have questions about the nature of the research, please contact the mentors.

Anticipated Appointment Start Date: March 1, 2026. Start date is flexible and will depend on a variety of factors.

Appointment Length: The appointment will initially be for six months or less, without renewal.

Level of Participation: The appointment is part time or full time.

Participant Stipend: The participant will receive a monthly stipend commensurate with educational level and experience. **The anticipated stipend range is \$355.60 - \$711.20 weekly.**

Citizenship Requirements: This opportunity is available to U.S. citizens only.

ORISE Information: This program, administered by ORAU through its contract with the U.S. Department of Energy (DOE) to manage the Oak Ridge Institute for Science and Education (ORISE), was established through an interagency agreement between DOE and ARS. Participants do not become employees of USDA, ARS, DOE or the program administrator, and there are no employment-related benefits. Proof of health insurance is required for participation in this program. Health insurance can be obtained through ORISE.

Questions: Please visit our [Program Website](#). After reading, if you have additional questions about the application process, please email ORISE.ARS.Northeast@ornl.gov and include the reference code for this opportunity.

Qualifications The qualified candidate should be currently pursuing or have received an associate's, bachelor's, or master's degree in the one of the relevant fields (life sciences, or agriculture, or medicine).

Stipend \$355.60 – \$711.20 Weekly
