### **Description** What is the Ignite-Off Competition?

Hosted by the Oak Ridge Institute for Science and Education (ORISE), the annual Ignite Off! Competition showcases the talents of ORISE interns from participating federal agencies and offices as they share their research through Ignite Talks. Each competitor has five minutes to present their project, using 20 picture-centric slides that automatically advance every 15 seconds. Contestants have access to an ORISE professional development course that teaches the process for developing an Ignite Talk. The 2026 Ignite Off! Competition will be held virtually.

More information on past Ignite Off! competitions can be found here: [Ignite Off! Competition - ORISE \(orau.gov\)](#).
