**Description** A research opportunity is available in the Conservation Center of the Sandhills located in Southern Pines, North Carolina. This research opportunity provides Conservation Planning assistance to The Nature Conservancy's (TNC) Longleaf Whole System project and the NC Sandhills Conservation Partnership.

The NC Sandhills TNC ORISE Fellow will help to advance the wildlife and habitat conservation mission of the Partnership through conservation planning and research, grant and project management, and data analysis.

**Qualifications** Eligible candidates will have graduated from an ecology, conservation biology, natural resources, or wildlife related field.

- Eligibility Requirements**
- **Citizenship:** U.S. Citizen Only
  - **Degree:** Currently pursuing a Master's Degree.
  - **Discipline(s):**
    - **Environmental and Marine Sciences** ([13](#) )
