

Opportunity Title: DOE Scholars Program - DOE-Scholars-2019-2

Opportunity Reference Code: DOE-Scholars-2019-2

Organization U.S. Department of Energy (DOE)

Reference Code DOE-Scholars-2019-2

How to Apply A complete application consists of:

- Profile Information
- Educational and Employment History
- Essay Questions (goals, experiences, and skills relevant to the DOE Scholars Program)
- Resume (PDF)
- Transcripts/Academic Records - Unofficial transcripts or copies of the student academic records printed by the applicant or by academic advisors from internal institutional systems may be submitted. Transcripts/Academic Records must include name of the academic institution, name of the student, completed/in progress coursework and grades. First-year graduate students must submit their undergraduate transcript, including the last two years of courses, degree, and date degree was awarded. Documents must have all social security numbers, student identification numbers, and/or dates of birth removed (blanked out, blackened out, made illegible, etc.) prior to uploading into the application system.

All documents must be submitted via Zintellect. All application components **must** be received in the system in order to be considered.

If you have any questions, contact us at doescholars@orise.orau.gov.

Please include the reference code of this opportunity in the subject line of the email.

Description The DOE Scholars Program is designed to attract talented undergraduate and graduate students, and recent graduates to opportunities that are carefully designed to help prepare and motivate participants toward the full range of entry and mid-level research, technical and professional positions within [U.S. Department of Energy \(DOE\)](#) and organizations that support the DOE mission. With a mission focused on discovering solutions to power and to secure America's future, DOE is committed to:

- Energy Security
- Nuclear Security
- Scientific Discovery and Innovation
- Environmental Responsibility
- Management Excellence
- Cyber Security
- Safeguards and Security
- Technological Advancement

As a participant in the DOE Scholars Program you will have the opportunity to explore a federal career with DOE and gain a competitive edge as you apply your education, talent and skills in a variety of settings within the DOE complex. Opportunities are available for a variety of disciplines at [participating DOE facilities](#) nationwide.

Opportunity Title: DOE Scholars Program - DOE-Scholars-2019-2

Opportunity Reference Code: DOE-Scholars-2019-2

Applications will be reviewed and selected by sponsoring offices as opportunities at these offices become available during the year. If you applied during the Fall 2019 competition, you do not need to submit a second application to the DOE Scholars Program.

Stipends

You will receive a stipend as support for your living and other expenses during this educational experience. Payments rates are determined by DOE, and are based on your educational level, skills, and experience.

Travel

Travel reimbursement of inbound and outbound costs up to \$1,000 for participants who live more than fifty miles, one-way, from the assigned hosting site. Depending on your project assignment, duration of appointment and funding availability, you may be eligible to receive an allowance for travel and education to promote the educational goals of your appointment.

Duration

Appointments are typically in the summer for an average 10-week period; however, appointments can start at any time during the year and can be shorter than or extended past the 10 weeks at the discretion of the DOE sponsoring office. Appointment extensions may be granted based on the needs of the sponsoring office and the candidate's availability.

Additional Information

For more information on the DOE Scholars Program, visit <https://orise.ornl.gov/doescholars/> or contact us at doescholars@orise.ornl.gov. Please include the reference code of this opportunity in the subject line of the email.

Nature of Appointment

The participant will not enter into an employee/employer relationship with ORISE, ORAU, DOE, or any other office or agency. Instead, the participant will be affiliated with ORISE for the administration of the appointment through the ORISE appointment letter and Terms of Appointment.

Qualifications The DOE Scholars Program is open to all students and recent graduates who meet the following qualifications:

- Be a U.S. Citizen at the time of application.
- Be 18 years of age or older by the application deadline.
- Meet one of the following conditions:
 - Be enrolled as an undergraduate or graduate student at an [accredited institute of higher education](#).
 - Have completed an undergraduate (B.A., B.S. or equivalent) or
