

Opportunity Title: 2020 Joint Science and Technology Institute, Albuquerque-Teachers

Opportunity Reference Code: JSTI-ABQ-Teachers-2020

Organization U.S. Department of Defense (DOD)

Reference Code JSTI-ABQ-Teachers-2020

How to Apply A complete application consists of:

- An online application form
- A reference – you will be asked for the name and email of your reference. We will send a link directly to your reference to complete the confidential reference form. Please tell your reference to look for an email from Zintellect@oraui.org. If not found, your reference should check their junk or spam folder. You may check your application using your username and password to determine if the reference has been submitted.

If you have questions, send an email to JSTI-ABQ@oraui.org.

Application Deadline 5/8/2020 11:59:59 PM Eastern Time Zone

Description The **Joint Science and Technology Institute, Albuquerque (JSTI – ABQ)** is a two-week, fully-funded, residential STEM research experience for current high school students and high school teachers in the western United States. Teacher participants will engage in research projects in Los Alamos, NM mentored by Los Alamos National Laboratory research scientists and other subject matter experts. JSTI provides teachers with world-class laboratory research experiences with research scientists. The purpose of this program is to provide opportunities for teachers to learn new skills and conduct STEM research, to learn about new and emerging careers in STEM, and to equip teachers to take the research and innovations in STEM fields back to their classrooms to inspire and encourage the ways in which they teach and their students' career paths.

- Qualifications**
- Must be a U.S. citizen.
 - Must be teaching high school courses in grades 9-12 on full-time basis
 - Must teach at a school in AZ, CA, CO, ID, KS, MT, NE, ND, NM, NV, OK, OR, SD, TX, UT, WA, or WY.
 - Must be a science, technology, engineering, or mathematics (STEM) teacher during the 2019-2020 academic year.
 - Must plan to continue as a science, technology, engineering, or mathematics (STEM) teacher during the 2020-2021
