EPA Office/Lab and Location: A research opportunity is available at the Environmental Protection Agency's (EPA) Office of Water (OW), Office of Wetlands, Ocean and Watersheds (OWOW) Nonpoint source Program located in Washington, DC.

Research Project: The objective of this project is research and analysis focused on the successful use of Clean Water Act Section 319 nonpoint source funding for achieving water quality improvements, as well as researching state Nonpoint Source Management Plans and local scale watershed plans.

Learning Objectives: With guidance from the mentor, the participant will have the opportunity to:

- Evaluate water quality results in proposed nonpoint success stories from state agencies prior to publication
- Evaluation of implementation of best management practices and water quality monitoring for controlling nonpoint source pollution
- Analyze effective approaches and measures in watershed planning to protect water quality

Mentor(s): The mentor for this opportunity is Cynthia Curtis (Curtis.cynthia@epa.gov), and the lab coordinator is Don Maddox (Maddox.donald@epa.gov). If you have questions about the nature of the research please contact the mentor(s).

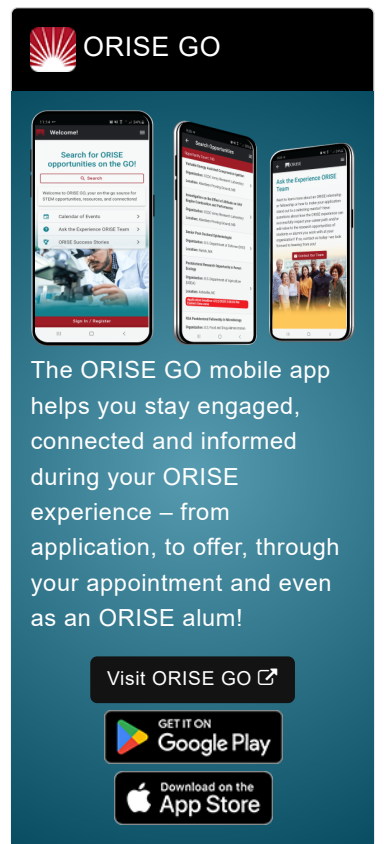

Anticipated Appointment Start Date: ~Fall 2020 All start dates are flexible and vary depending on numerous factors. Click [here](#) for detailed information about start dates.

Appointment Length: The appointment will initially be for one year and may be renewed up to three additional years upon EPA recommendation and subject to availability of funding.

Level of Participation: The appointment is full-time.
